

# ROKTO LAGBE?

Minhaz Rahman	1605093
Pronob Das	1605098
Abir Mohammad Turza	1605104
Sifat Ibna Amin	1605112
Pijush Chakma	1605120

# Motivations

**.99% of the 500 000 women who die each year during pregnancy and childbirth live in developing countries, with haemorrhage—which invariably requires blood transfusion**

**.In every 3 seconds someone needs Blood**

**.Around 362,000 units of blood were collected in Bangladesh in 2009, of which only 29% were from voluntary donors.**

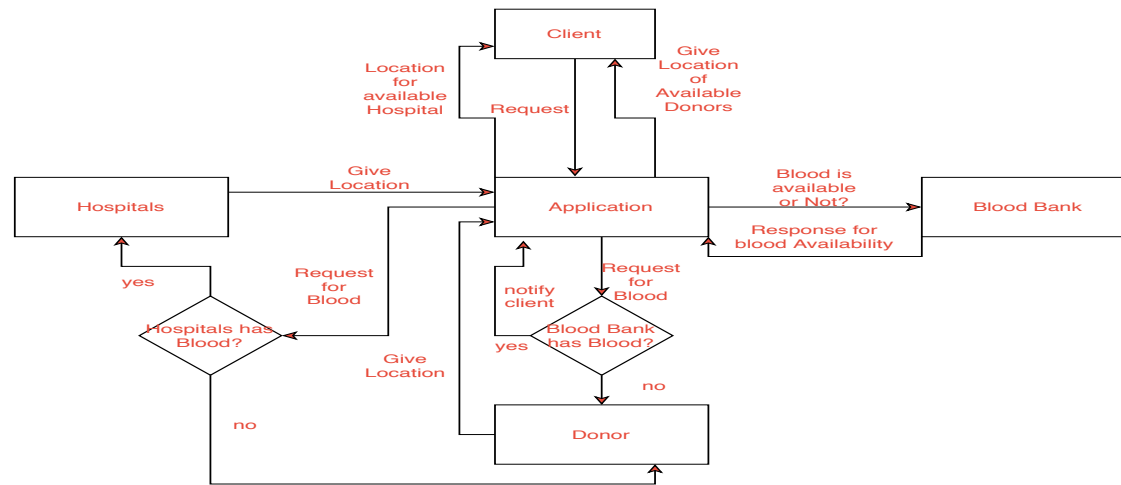

# Features

- .Donor History**
